SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**Completely missed the discussion part in the result and discussion (please discuss your paper with related another finding); reduce self citation in the introduction part incorporation of additional table; modification of title are mandatory make the paper sound.** **No quantitative data**	I have to improve the result and discussion section, title is also modified according to the reviewer guidance. My research is based on both on qualitative and quantitative. So, I have to use both quantitative and qualitative data. Table's data which represent in this manuscript show the quantitative research.
Minor REVISION comments		
Optional/General comments
