PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**The manuscript has merit to be published; it informs the public involved what is necessary for the general knowledge of the subject.** **Specify in the numbering of the figures in the order they appear in the text. (eg, Figure A, Figure B and Figure C.)**	• Done
Minor REVISION comments	**The manuscript has merit of being published, after the adjustments for the journal.**	• All journal formats have now been followed
Optional/General comments	**The photos are with a very bad image. You must graph the period of the year in which the survey was conducted.**	Note that this is a review, thus reviewed different publications carried out at different times.
