SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**1. It is necessary to state the background of the experiment at the beginning of abstract (1-2 sentences)** **2. Please rewrite the objective of the experiment in abstract (line 8)** **3. Please add the transition sentence inline 27 (Introduction) between expalantion of the crop advantages and the need of N for its growth to make smoother the two differences of topic focus.** **4. Transition sentence should be written at the end of first paragraph of Inroduction or at the beginningof second paragraph so that the change of focus is smoother.** **5. Experimental design should be presented in Materials and Method.**	
Minor REVISION comments		
Optional/General comments	1. The manuscript was written fairly good. Minor revision is necessary.
