SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments		
Minor REVISION comments	The manuscript is accepted with minor revision 1- On table 1, please add also plants that were ineffective against the tested pathogens 2- On table 1, you should add means comparison using duncun's test for example	We prefer to not include them because they are numerous (20) plants and the results are 0.0. We included the comparison of means statistically.
Optional/General comments
