PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**Point 4, where the results and the discussion of them are presented, i suggest to put only results or realize a true discussion of them, since this last is not observed in the document.** **On the other hand, the conclusions that reflect the objective of the work and the results should be redacted**	I agree with reviewer. The discussion of results and conclusion are improved in the Ms_AJSSPN_38075
Minor REVISION comments		
Optional/General comments
