SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**1-Introduction part must be written in small letters not capital letters** **2- In conclusion part:** Findings from this study revealed that pregnant adolescents had inadequate intake of vitamin A, vitamin E and zinc. Pregnant adolescents also had high serum concentrations of zinc and vitamin A. **Those two sentences are contradicting to each other. As inadequate intake of vitamin A, vitamin E and zinc must lead to low serum concentrations of zinc and vitamin A.** **Please clarify** **3- I suggest to add some references up-to-date.**	
Minor REVISION comments		
Optional/General comments
