SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	International Journal of Biochemistry Research & Review
Manuscript Number:	**Ms_IJBCRR_23844**
Title of the Manuscript:	**SERUM GLUCOSE, LIPID PROFILE AND OXIDATIVE STRESS MARKERS OF SALT-INDUCED METABOLIC SYNDROME RATS ADMINISTERED ANTIOXIDANT RICH NUTRACEUTICAL**
Type of Article	**Original Research Article**

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	**Authors' response to final evaluator's comments**
The manuscript present corrections in the separation of references **only in the introduction**; the statistical analysis was inserted in the materials and methods; However were still noted Absence of: **Acknowledgement** and C**ompeting interest**. ml must be **mL;** mg/dl must be **mg/dL**; In the line 72-method of [13] and [14] method of must be: method of **name of the author** [13] ... and method of **name of the author** [14] Line 74 ... immunoassay kit according to **name of author** [16] Line 94. method of **name of the author** [18] and **name of author** [19], respectively. Line 199 [25]; [26] must be: [25, 26] Line 216 [33, 34]; [35] must be [33, 34, 35]. Some references must be corrected: line 246 - J. Nig. Med. Assoc. to J Nig Med Assoc. line 251; 258;260; 265-266; 270; 272; 277; 285 is . not , ; 289 is . not ; lines 302, 308, 310, 313, 315, 328 is a . not a ; line 325 and 330 name of the journal.
