SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	If Nigeria could accounts for about seventy five percent (75%) of infants with sickle cell cases in Africa as you claimed, then what is the justification of chosing Mairi ward, Jere local government of Borno State as your study area? In line181, It should be "Discussion", kindly remove 'of findings' References must be written in acceptable format. The author is advised to work on that based on the journal's acceptable template.	Corrections have been incorporated in the manuscript.
Minor REVISION comments	In line 34, rewrite the reference as [2, 3] In line 42, This has been known to make some 'students'… or you mean victims?	
Optional/General comments
