Compulsory REVISION comments		
Minor REVISION comments	In this paper, author study the geometry of position vectors of a spacelike curve in the Minkowski 4-space and given some characterizations for spacelike curves to lie on some subspaces of The paper has motivation. But it needs minor revision. I can recommend the paper if the authors make the following corrections. **1.** The paper has been written fast. So, there are a lot of grammar and writing mistakes in the manuscript. So,The paper must be read again carefully and the mistakes should be corrected
