SDI Review Form 1.6

Journal Name:	**British Journal of Mathematics & Computer Science**
Manuscript Number:	**2015_BJMCS_18354**
Title of the Manuscript:	**Finding Remainder on Dividing Numbers**
Type of the Article	**Original research papers**

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty'**, provided the manuscript is scientifically robust and technically sound.

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments		
Minor REVISION comments	This paper study the divisibility by 7, 13, 17 and 19. This problem has been extensively investigated by many authors and many results have been reported. A given numerical example is simple and fuzzy: there are no simulation solutions, no comparison with other results and no behavior solutions.	
Optional/General comments
