PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	I have reviwed the article numbered **Ms_JAMPS_37419**I have filled out the SDI Final Evaluation Form. I suggest that the article is accepted for publication after the necessary corrections. In addition, researchers must be add the ethics committee document, otherwise it can not be considered ethical to study. Ethical issue: Two Wistar albino rats were used in this study. Therefore ethics committee document is required.	
Minor REVISION comments	Some writing errors were found in the article. They need to be corrected.	
Optional/General comments
