SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	Authors had done nice work and well written manuscript. 1. **Authors must include quantitative analysis (quadrates study), it will give better idea about regeneration. There is no data which show the regeneration occurred in the forest area.** 2. **Give the list of i**nvasion and native species in the study area.	As suggested by your goodself, all the suggestion had made like quadrate study and putting of map of study area etc. are incorporated.
Minor REVISION comments	1. **Put map showing study area.** 2. **Write the correct name of all plants name along with authors name.** 3. **Check the correct name through the plant list, tropicos.** 4. **Give a photo plate of some selected plants.** 5. **Authors had not mention regional flora for identification.**	
Optional/General comments
