PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments		
Minor REVISION comments	The manuscript is well-written and shows interesting results. However, there are some errors on punctuation, especially at the end of the sentences and all the references should have the same format.	I appreciate the commendation. The errors on punctuation have been corrected. In addition, all the references have been worked on to have the same format
Optional/General comments
