SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**Platelet must be spelled correctly.**	The spelling has been gratefully corrected
Minor REVISION comments	The colors for the lines in the figure are difficult to discern. Please find a better way to draw the lines, such as dashes, dots, dots and dashes. There are several English problems that can be fixed.	The grammatical issues will be addressed. On the issue of the lines in the figures, since the legend has provided different colours for each treatment, and a key indicating the colour of line for each % inclusion additionally provided, we don't anticipate the problem of discernment will exist.
Optional/General comments
