PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	1. **Go through the paper carefully to list all refences at the reference part** 2. **The author focused solely on report instead of research work** 3. **There are several literatures on Africa development which I think some of these papers should support your work but none is found** 4. **No literature review of previous studies found in your work**	
Minor REVISION comments		
Optional/General comments	1. If the manuscript is prepared to be published as a report then I think it is okay. However, if it has to be published as a research work, then I think the manuscript need an improvement based on previous studies. I personally do not see this work as a research work.	

PART 2:

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Are there ethical issues in this manuscript?	*(If yes, Kindly please write down the ethical issues here in details)*
