SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	This review is very useful for physician and health care person especially in developing countries.	Yes, especially as the supply of potable water is seldom consumed by majority in these countries.
Minor REVISION comments	English writing correction such as space and Front type.	This error occurred during compatibility mode (using a lower version of Microsoft Word instead of the Word 2013 which was originally used for the write-up) when the review was about to be sent for publishing. This will be corrected anyway.
Optional/General comments	No	Nil
