SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**There is no compulsory revision.**	
Minor REVISION comments	1. The introduction of the paper should be improved by adding the current situation of the research. 2. The language should be edited carefully by a native English speaker. 3. Don't mention references in conclusion section. Language and spelling error accorded during manuscript. **Ethical Issues:** Yes, there are ethical issues in the manuscript, this study result is of alarming concern as the water bodies sampled are the major water sources available in those areas and by this study are unsafe for domestic use because of their high parasite presence.	Taken care of.
Optional/General comments	The author described about the diseases of water.
