PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	Make the paper scientific. As it is, it sound like a practical report	Ok.
Minor REVISION comments		
Optional/General comments	The manuscript describes potential biopesticides from plant extracts. It is suggested to re-write it in order to make clear. As it is, the manuscript is chaotic and has serious writing, grammar, coherence and format issues. There is no coherence within the writing. The manuscript needs revision from the corresponding author to give uniformity to the text. A revision from an English speaking person is strongly suggested. Also a revision of the title should be considered.	Ok.

PART 2:

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Are there ethical issues in this manuscript?	*(If yes, Kindly please write down the ethical issues here in details)*
