SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	The article is very poorly written in all sections. The manuscript needs few revisions with grammar edits. Results need few revisions and discussion is copied from prior publications and there is lack of flow of the information. Figure legends, figure 1-3: the magnification for the image needs to be provided for the pathology figures apart from the type of stain used. **Plagiarism issue:** Yes, particularly in the discussion part of the manuscript in several paragraphs.	The manuscript is revised. The magnification for the image and the type of stain used is provided.
