PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	The use of organic matter. This phrase was mentioned four times in Line 155 & 156. Make a correction. I would suggest that authors should proofread the manuscript for spelling error and grammatical error. I recommend this review manuscript for publication	We remove the repeated sentences and perform the correction in grammar and spelling, according to the suggestions of the reviewers.
