PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**Below than average so that need to improve in terms of literature coverage and discussion.**	We improved the term of literature by enriching it with new references as well as the discussion
Minor REVISION comments	Revisit the discussion part	We took into account the remarks and observations
Optional/General comments	Better to revise the discussion	We took into account the remarks and observations
