PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments		
Minor REVISION comments	Manuscript is good, originality is ok, but write-up is somewhat poor. Authors should write the scientific names of both jute species in ITALICS throughout the paper and the study time of this research was found to be cited different at different places….so correct it as I have marked in different background including few things to corrected are also in different background	
Optional/General comments		.
