SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**1. Article is missing the add value.** **2. No enough measurements were estimated (e.g, physical and chemical properties of pot substrate, chemical analysis of compost, root volume and weight, nutrient content of radish).** **3. The scientific base of treatments is not clear enough, otherwise the author mentioned the present but regarding to what the recommended, volume, weight or what.** **4. In general, the article seems to be experiment report not scientific article.**	
Minor REVISION comments		
Optional/General comments	1 – the introduction and discussion is ok
