SDI Review Form 1.6

PART 1: Review Comments

| | Reviewer's comment | Author's comment (<i>if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here</i>) |
|-------------------------------------|--|---|
| Compulsory REVISION comments | <ol style="list-style-type: none"> 1) The present paper report is not having the new research findings. 2) Figures are directly taken from the research papers and not cited. 3) Review article must have all the things correct & elaborate. 4) As mentioned in present paper classification & role of biosurfactants are very less. 5) All the data are already mentioned at so many research papers. 6) I believe paper is not suitable for publication in the journal. It needs major corrections. | |
| Minor REVISION comments | <p>Need major corrections. If there any ethical issue , please clarify.</p> | |
| Optional/General comments | | |
