Subject: Re: Request for editorial decision for manuscript number 2014\_AIR\_15031

I have analyzed all the steps followed to get the last version of the manuscript titled A Study of Marine Sport Tourism Development on Island— A Case Study of Jibei in Penghu, Taiwan

Considering the final evaluation forms of the reviewers, my final decision is positive. I think that the last version of the paper can be published in the Journal.

According to me, the paper could be classified as an Original Research Article.
