SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	The manuscript is easy to read and focused to the aim of the study. Overall, results are well presented and discussed, with the exception of Figure 1 where the tags above the gel do not match with the corresponding band (please remake it). There are some spelling errors; such as the species names do not always appear in italic, <i>Solanum</i> is always starting with capital letter... Also some words are not correctly written. Please check the spelling and grammar.	Comment accepted and correction effected.
<u>Optional/General</u> comments
