**PART 1: Review Comments**

|                                            | <b>Reviewer's comment</b>                                                                                                                                       | <b>Author's comment</b> <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|--------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments |                                                                                                                                                                 |                                                                                                                                                                                             |
| <b><u>Minor</u></b> REVISION comments      | Strengthen the conclusion by being specific other than generic; If possible touch on the practical implications of the study (findings) to hospital management. | Ok                                                                                                                                                                                          |
| <b><u>Optional/General</u></b> comments    | Address the grammatical and language issues as suggested.                                                                                                       | Ok                                                                                                                                                                                          |
