SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The manuscript is written in form is very good and the results is very good, too. Values of constants have not been given in each one of the figures 2 to 10. Values should be written in the plot of the figure or in the caption of each of the figure.	Thanks for your comment. Writing constants in each one of figures or in the captions may seem the mentioned places to be much busy and may annoy the reader. All of the constants are available at Table. 2 and the reader can refer to it whenever is needed.
<u>Minor</u> REVISION comments	<u>Minor</u> REVISION comments	
<u>Optional/General</u> comments	If any Ethical issue there, please clarify us
