

SDI Review Form 1.6

Journal Name:	British Journal of Mathematics & Computer Science
Manuscript Number:	2014_BJMCS_15028
Title of the Manuscript:	Polynomial operator in the shifts in discrete algebraic dynamical systems
Type of the Article	Original Research Paper

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u>		
<u>Minor</u> REVISION comments	In general, this manuscript <u>can be accepted</u> in this Journal, for the following reasons: 1. The author introduced a good study of an important problem. 2. The results in this paper are interesting and deserve to be published. 3. The structure of the paper is excellent. Only I have the following minor notes. Correct the writing mistakes in the attached PDF file of the paper.	Agree : - There were mistypings, incorrect prepositions or idioms, lack or misplacements of punctuation symbols. - There was a conjugation error. - "an monic polynomial" is not correct - Numbers of section/subsection don't need parentheses. - The names of section 3 and subsection 3.2 were the same. - The name of Lane's book in the references was not correct : "the" before "working" was missing
<u>Optional/General</u> comments
