SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	<ol style="list-style-type: none">1. It is strange that the age at first sexual exposure ranges from 1year to 23 years. I wonder how the respondents remembered the sexual activity that occurred when they were just one year old! Check this out to make sure it is not a typographical error.2. Excluding private schools from this study is a big minus on the important variables that need holistic examination by the authors.	<p>It has been addressed.</p> <p>The authors agree with the reviewer and it has been included as a limitation of the study.</p>
<u>Optional/General</u> comments	Generally this is a well written manuscript.
