Subject: RE: Request for editorial decision for manuscript number 2014_IJPSS_13728

I can recommend the revised manuscript for publication. Before that it is necessary to check the form of citation in the text, many of them (for example all the added) are missing the dot (Ferreira et al 2011), many of them are having the dot (Ferreira et al. 2011).

Editor's Details:

Dr. Radim Vacha

Deputy Director of Research and Development, Research Institute for Soil and Water Conservation,
Czech Republic
