SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none">1. This paper has a lot of major and minor mistakes. Specially spelling mistakes and did not maintain proper spacing between the words. I must suggest the authors for carefully checking the whole MS and correct them before resubmission.2. This paper also needs English check.3. It seems that authors did not do self -review before submission.4. The sub-heading "Introduction", and "Materials and Methods" were not found. They should be separated with sub-heading.5. Introduction part has been very poorly written. It should be rewritten and explaining rational behind undertaking this experiment.6. The sub-heading "Result and discussion" were found displaced.7. Correct the style of references according to journal style.8. Again I want to suggest that authors should
