**PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	Language of the manuscript is poor so it should be edited by native speaker. Results should be discussed more in detail. Results obtained in this study did not mostly support the conclusion being removed.	
<b><u>Minor</u></b> REVISION comments	Clarify plagiarism issues - especially in introduction when you compare the introduction with other parts of the manuscript (Abstract and result) it can be seen that introduction was written very good English probably copy pasted from different sources.	
<b><u>Optional/General</u></b> comments
