Subject: Re: Request for editorial decision for manuscript number 2014_JPSS_12828

I have read the original manuscript and the suggestions made by the reviewers. In the new version the suggested changes were made.

Therefore I consider that the current version should be published.

I appreciate the opportunity to have the final decision of this paper.

The appropriate title of the paper is "EVALUATION OF EXOTIC RICE VARIETIES FOR GENETIC PARAMETERS IN A NIGERIAN AGRO-ECOLOGY.

Editor's Details:

Dr. Enrique Luis Cointry Peix

Department of Plant Breeding, Rosario National University, Argentina
