Subject: Re: Request for editorial decision for manuscript number 2014\_IJPSS\_13067

**The final decision for manuscript number 2014IJPSS 13067** entitled 'An understory comparison of the exotic *Phellodendron amurense* Rupr. (RUTACEAE) and adjacent native canopy species in an urban and suburban woodland' written by Eric C. Morgan and Jonathan A. Borysiewicz

Following evaluation of all documents related to the manuscript I can state that the manuscript is acceptable for publishing in the International Journal of Plant and Soil Science. The text was amended in accordance with the majority of Reviewers' suggestions and requirements. Thus, I am pleased to inform that my final decision is: Accept.
