SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	I suggest that the objective of the study may be written separately from the introduction part.	The objectives have been written separately from the introduction part
Minor REVISION comments	Full form and not abbreviation should be used, for example, lines 41, 39, 61. Grammatical errors as in line 83 needs correction. Table.1 and Table.3 could have been better depicted through a bar graph.	Full form of words has been placed instead of abbreviations. All grammatical errors have been removed and table suggested to be depicted through bar graph have been change as per reviewer's comment
Optional/General comments	Usage of too much citation better being avoided.	This comment has minimal addressed
