SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	Things that should be done to improve the paper: • Editorial, • The paper does not mention a clear objective anywhere in the paper. • The main point of discussion of the paper is unsustainable agriculture because inefficient use of forest and forest products but does not develop the link between the two anywhere in the paper. • Citation of important statements and facts are required • The various approaches mentioned as solutions line 119-155 should be revisited. Some of the section are a statement. • Summary 157 – 161 cannot be made from the above discussion unless the link is developed.	➤ The paper has been revised to reflect its objective. Linkages have been drawn, and citations to important statements have been provided as observed by reviewer. ➤ The approaches mentioned did explained their content and meaning clearly and do not have much to discuss on.
<u>Minor</u> REVISION comments	I suggest these revisions to be made. Document is attached.	
<u>Optional/General</u> comments
