SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The manuscript presents serious problems of language and therefore the information presented is not clear. For example in the abstract the authors said: with selected with the assistance of local authorities resource persons have established a list of endangered food plants compared to their operating manner. Has to say: with the assistance of local authorities persons have established a list of endangered food plants by comparing their operating manner.... The authors said: crops. Their bodies' majority routinely used are the fruits and leaves. ,,,, Has to say: the most used parts are the fruits and leaves Authors should mention the number of men and women, age groups, education, etc. of informants.	Thank you for your serious corrections. I have tried to write again the all manuscript

SDI Review Form 1.6

	Authors should include the list of identified species, voucher numbers, used part, etc.. Authors should carefully review the wording and the language used.	You can find the list in the part 3.1.1.3. I prefer to present it like that Ok
Minor REVISION comments		
Optional/General comments
