SDI Review Form 1.6

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Minor REVISION comments	To correct the redaction of the abstract.	
	In the page 5 in the equations (34), correct the equations due that have editing errors.	
	The author must extend his conclusions, considering prospective some relations and developments in canonical super-algebras, C*-algebras and say what follows. Mention it at least.	
Optional/General comments	The exposition is very complete, and the work in operator algebra also is very explicit. It's a good paper.
