SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. The ABSTRACT has not been written in a proper way. It should include the research objective, parameters to be studied, methods and final outcomes. 2. The scales and axis headings in Figs. 1 and 2 are illegible and should be improved. 3. The CONCLUSIONS section should include the brief summary of the outcomes. 4. Fig. 7 does not look like original and may be modified for getting desired results. I have great concern on this issue. 5. The whole paper should be revised for typographical and grammatical errors. 	
Minor REVISION comments		
Optional/General comments
