SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	• Line no-69 &70 – needs rewriting the sentence grammatically • In line no - 103. Statement of the Problem – to many statements explained using brackets. Explain them clearly in simple sentences. • Empirical Studies is too lengthy, this particular section can be reworked by providing only important values for discussion. • There are many other Factors which decide or impact on financial structure like - Trading on Equity or Leverage - Capital Gearing - Cost of Capital - Maximum Control - Cash Flow Ability of the Company - Flexibility - Size of the Company, Those factors not covered may be highlighted in the paper, explaining how it affects the financial structure of the Agricultural and Healthcare sector firms. • Language editing of the paper is to be done and sentences of Objectives and paper concepts are discussed in many places may be avoided	1. This correction has been effected. 2. This has been corrected. 3. These have been addressed 4. Firm size and cash flow ability were included as control variables while other variables were mentioned at the concluding section of the paper. 5. This has been addressed. However, further suggestion will be welcomed
<u>Optional/General</u> comments
