SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Though the manuscript is well written and discussed properly with the data required, I have following suggestions/questions that need to be addressed: 1. Please replace Plate 1 image with a high resolution image as Plate 1 has poor picture quality. 2. For data presented in Figure 1 to 5, any statistical analyses were done?	1. The picture is changed 2. The data were statistically analysed using Microsoft excel from the chemical and physical properties of the samples.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments		No conflict of interest among the authors. We are agreeing to public my article with your journal for wide coverage and dissemination of knowledge.
