General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	1. In table 1, it should be traders, and not traderpeople. 2. Residential in table 1 has six locations and 8 frequencies. Check and adjust. 3. Kabondo being the third most prevalent location, as the table suggests. Check and adjust appropriately. 4. In table III, percentages and p-values should be in 'full stop' sign, and not the comma sign.	
<u>Optional/General</u> comments	1. In line 100, are the countries listed not in the continent of Africa? Confirm. 2. Slight adjustments were made in lines 106 and 118. Verify for conformity.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
