SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	1. For ease of reading and understanding it would be nice all the necessary concepts used in Sec. 3 when discussing the results, put in a separate section (for example, "Preliminaries"), rather than to send the reader to the works of other authors. 2. You must give a detailed description of Figure 1.	
Minor REVISION comments		
Optional/General comments
