<ul style="list-style-type: none"><li>Results must bring about some sound conclusion.</li><li>Some information that is adding value to the current knowledge.</li></ul>	The results and discussion of the findings in this research work are within the scope of the study. I feel that if there is any gap left, it is an open window for any other researcher to work on. However the little modifications now made are shown in green colour, while the previous ones are still in yellow colour
