

SDI Review Form 1.6

Journal Name:	Advances in Research
Manuscript Number:	Ms_AIR_24059
Title of the Manuscript:	Risk of residual aluminum in treated water with aluminum sulphate
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

To know the complete guideline for Peer Review process, reviewers are requested to visit this link:
