

Editor's Comment:

I have read revised Manuscript (2017/AIR/36329) and reviewer's and editor's comments. In my opinion the Manuscript entitled "Agro-potentiality of treated paperboard mill effluent along with organic amendments on growth and yield characteristics of okra" **can be accepted and published** in Advances in Research.

Editor's Details:

Dr. Borislav Banjac
Department of Field and Vegetable Crops, University of Novi Sad, Serbia
