SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<p>1. The topic should be changed as "Germination, production and morphological characteristics of weed seeds belonging to family Poaceae in Setif, Algeria"</p> <p>2. There are lot of grammatical errors and unclear sentences.</p>	<p>1. We change the title to: "Variations of weeds seeds of species belonging to Poaceae on the basis of germination, production and morphological characteristics "</p> <p>2. We corrected some errors and we request for reviewer to indicate any other errors to be considered in correction</p>
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	<p>Mature plants from the field has been taken for analysis of morphological characters. It was better if you grow all plants in one place with one conditions to do this analysis.</p>	<p>Our study based on weeds seeds to identify seeds by different characters; Germination, production and morphological characteristics, The suggestion of this methodology is very interesting and will undoubtedly be taken into consideration in our future work.</p>
