

Editor's comments:

In my view, the author AIR_34246 did not follow the reviewer and Editor comment clearly.

Abstract: No need sub heading. Please make it one paragraph.

Methodology is not clear.

References are not cited followed by Journal rule

Still, I believe the Manuscript number Ms_AIR_34246 **need some minor revision**. Please, find in attachment file.

Author's feedback:

Respected sir I'm corrected the article please see the attached file
