

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Advances in Research
Manuscript Number:	Ms_AIR_35605
Title of the Manuscript:	An analysis of socio-personal characteristics of apple growers and their attitude towards apple cultivation in district Shopian of J&K
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
I have looked through the "revised" paper. As far as I can tell, a few sentences have been added to the Conclusions section. Revisions are not highlighted in the text e.g. in yellow highlights as is often done. Also, the authors' response states only "Done".	" <u>Done</u> " here means that the suggestions made by the reviewers were incorporated by the authors strictly.
